Introduction

VETCOM Consulting, Inc. doing business as Vetcom Logistics is a veteran owned small business (VOSB) founded in 2007 by a team dedicated to getting the job done right. Represented by supply chain leaders, VETCOM combines more than 80 years of experience in various transportation and logistics disciplines. Some of these disciplines include serving as project/program managers, packaging specialists, HAZMAT subject matter experts, business development professionals, with careers in military logistics.

Mission Statement

We are a leading logistics company focused on contracts supporting the Federal Government. We partner with companies globally to identify strategic opportunities addressing critical government and contractor challenges, thereby sustaining and contributing to the Government's transportation and service enterprise in addition to other critical supply chain applications.

Core Services

VETCOM partners with major subcontract partners which have tremendous experience servicing critical supply chains both domestically and internationally. Our core services run the gamut of supply chain logistics, information technology and e-fulfillment solutions. Our key core services:

- ✓ Ocean Freight Forwarding
- ✓ Domestic Transportation
- ✓ Warehouse Management Systems (WMS)
- ✓ Transportation Management Systems (TMS)
- ✓ E-fulfillment programs
- ✓ Omni-channel call center support
- ✓ Warehouse Services & Storage to include "Pick/Pack and Ship"
- ✓ Expedited service for urgent and/or high value ground movements
- ✓ Customs Brokerage Services
- ✓ Compliance Programs, ITAR, FCPA, Export
- ✓ Heavy Lift and Out-of-Gauge Cargo moves
- ✓ Roller beds to accommodate 463 L pallets
